The next page will have a long list of courses. The required courses to take are:

## 1. Bullying, Hazing and Inappropriate Behavior

2. Concussion in Sports.

Click on the course title. The next page you will need to click on "order course". Make sure Utah is the state listed.

On the next page select "myself" and hit continue.

On this page select "continue shopping" so you can add the other course, repeat steps and then "check out".

Check to agree to no refunds and then click "continue'.

On the next page select "go to my courses".

You'll then be sent back to the home landing page. Verify that your email is accurate and then on the following page click on the "My Courses" menu button.

Click on "Begin Course" to start the training. There will be an ad, you'll be asked your language preference, a brief tutorial will be shown and then the training will start.

This training will not let you click "next" until each section/video is completed. When clicking "next" after each section is complete, you may see the window on the left pop up. If this happens, keep clicking "close" and you will finally get to the next section. To avoid this, once the section is done, click the video replay icon, let the video start again and then click "next".

You must take the required test after the training and then finish the "conclusion" session, complete the course evaluation and then you are able to download your certificate to send to your district president. You are encouraged to utilize other resources on this website. Thank you.
